Dear President,

I would kindly ask for your personal attention and your party's cooperation in sending its outstanding 1997 membership fee to the Socialist International.

Our budget for each year covers the period from 1 January to 31 December, and our organisation should receive this fee during the calendar year of 1997, otherwise these funds will be registered in our annual accounts as a deficit.

Aware of the commitment and support of your party to the International, I trust that you would do your utmost to bring your party's fee situation up to date before the end of the year.

Thanking you in advance for your understanding, I send you my fraternal regards,

  
Luis Ayala  
Secretary General
